Manholes trade brochure

The old manholes PDF lands on an enquiry page. The catalogue has no chamber, cover, or frame SKU. The three photos are drainage fittings, not manholes.

110mm gully. Not a chamber.

Maxiflow check valve. Not a manhole.

Wavin floor drain. Not a chamber.

No chamber SKU

The drainage hub says there is no published chamber shop. Opening, invert, load class, and stack type change the quote.

Fittings, not chambers

110mm moulded gully FD4556000.
Maxiflow check valve MFCV/110. Wavin
HL310N floor drain, no SKU stored.

What to send

Opening, invert, incoming OD, load class or traffic note, and whether the chamber is new or a replacement.

Price-free. LP drainage PDFs stay on the drainage hub.
